Dear Club Members,

Our Club By-Laws state that an Officer cannot hold the same position for more than 2 consecutive years; in August 2013 I will have been your Treasurer for 2 years. I have truly enjoyed filling this position. I've attended Board meetings and been able to submit my ideas to them – (plus I don't often have to get up in front of the whole group). I've always enjoyed working with numbers, so that part of the job was easy (making deposits & writing checks). I have developed an easy financial statement format that takes just minutes each month to complete, so I feel this will help the next person who takes on the Treasurer position.

Holding this office has allowed me to get to know more members than I could have imagined. I

hope one of you will think seriously about taking on the job of Treasurer for the year starting in Sept. 2013. We need to have people step up to keep this club going.

I would be willing to talk to you and give you any information to help you make this decision. I would be willing to help you get started. or I will just turn over the forms and let you do it your way.

Please contact me with any questions you may have about this position. I would love to visit with any of you about what it takes to do this job.

Thank you,

Linda Brunner

BINDING BEE CLUSTER by Bea Dersham

After two Binding Bee Clusters, we now have 6 community quilts with finished binding. We have managed to bind three quilts for each of the two clusters we have had. We have been having such a nice time chatting and stitching-isn't it what we all love? One more Binding Bee will be held on March 18. Come and join us to help with community quilts. Bring your own needles, thimbles, and clips, or in case you forget, needles and pins will be furnished .
